### Message of Support for Turkey and Greece Following 30<sup>th</sup> October Earthquake

#### Statement

The Socialist International Women offers its sincere condolences to Turkey and Greece following the devastating earthquake under the Aegean Sea on 30<sup>th</sup> October 2020 which has severely affected the regions of Izmir, Turkey and the Greek island of Samos. SIW is deeply saddened by this devastating event and shares the immense shock and grief of the tragic loss of life and multiple injuries sustained. SIW sends its heartfelt support to all women, men and children afflicted by this tragedy, including all who are now displaced from their homes and livelihoods, and to all search and rescue workers in the affected regions. In addition, SIW applauds all cooperative efforts to provide emergency relief and aid to all areas impacted by this natural disaster.
